

GOING DEEPER

BUILDING OUR FOUNDATIONS IN FAITH

For children 2nd thru 5th grade...

Children explore our Catholic faith, traditions and scriptures...in an atmosphere of fellowship, creativity, prayer and fun!

In a Multi—Age level Multi Learning style setting

GOING DEEPER gathers twice a month and is composed of stations where the children experience different learning activities at each station stop. The two key lead positions here are:

Crew Leaders visit learning stations with a group of 5 to 6 kids. You not in charge of preparing or teaching activities: you guide the children to the stations, help the kids enjoy themselves and help them with the experience at each station.
