Grow in Reverence!

Look at the list of simple things to do to grow in reverence and the Catholic faith. Do you do some of these already?

Fill in the circle next to anything on the list that you do regularly.

- Spend time with God in prayer every day.
- Enter and leave the church quietly.
- Genuflect or bow out of respect for God when I cross in front of the altar, which is His table.
- Genuflect when I pass in front of the tabernacle and Jesus is present. (I know Jesus is present when the sanctuary lamp is lit.)
- Take time to think about all the beautiful things that God made for me and everyone else because He loved us all so much.
- Treat things my priest has blessed, like my rosary, holy water, my Bible, and my crucifix, with special respect. I don't play with them or put them on the floor.
- Help my parents when a new baby comes home. Remember that when a family grows bigger, there is more work but also more love to share.

PRAY—*Raise Your Heart and Mind to God!*

Dear Lord,

Help me to show You the respect You deserve, especially whenever I enter Your house, the church. I should honor You in prayer. I must also remember the special gifts of the Catholic faith by caring for things my priest has blessed for me. Thank you for the wonderful world that You have created. Help me to enjoy every part of it by watching nature, caring for creatures, and learning about the world around me.

Amen.
